**RESPONSE TO NOTICE TO COMPLY WITH  
REQUIREMENTS FOR SEQUENCE DISCLOSURES**

This is filed in response to the Notice to Comply with Requirement for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures (Paper No. 12), dated March 4, 2003. A one-month period for response was set, making the response due on or before April 4, 2003. The Commissioner is authorized to charge any fees that may be required to the deposit account referenced on the accompanying transmittal letter.

Please enter the following amendments in this application:

**In the Sequence Listing:**

Please replace the current Sequence Listing with the enclosed replacement Sequence Listing.

**REMARKS**

Applicants submit herewith a replacement electronic copy (diskette) of the Sequence Listing, and a corresponding paper copy (60 pages). In compliance with 37 C.F.R. § 1.821(f), the undersigned declares that the nucleotide sequences presented in the paper copy of the

Sequence Listing submitted herewith are the same as the sequences contained in the computer-readable form of the Sequence Listing.

In conformance with the Raw Sequence Listing Error Report, Applicants have (i) replaced the Artificial Sequence descriptors (Field <223>) for SEQ ID NOs: 8-17, 20, 21, and 24-39; and (ii) completed the “blank” <223> fields for SEQ ID NOs: 8, 12, 16, 20, 24, 26, 28, 30, 32, 34, 36, and 38. No new matter is introduced by these corrections.

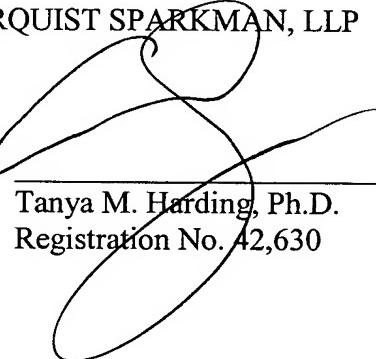

### CONCLUSIONS

It is respectfully submitted that the application is in condition for substantive examination. If any minor matters remain prior to examination, the Examiner is invited to call the undersigned at the telephone number listed below.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
